

**Title: Introducing SGFinDex**

Financial planning made easier!

SGFinDex is a first-of-its-kind platform

That enables the consolidation of your financial information

Through your participating banks, insurers and MyMoneySense.

It's a secure and trusted platform,

With Singpass log-in and customer consent.

Just give consent to connect your banks, insurers and CDP to SGFinDex.

Once your accounts are connected,

You can retrieve information securely.

With the consolidated information,

Your financial planning can be made easier and more comprehensive.

Consent given is set for 1 year,

And you can re consent upon expiry.

Get started with SGFinDex through your bank, insurer or MyMoneySense today!
